RE: Approval of 2011 Treated Water Request

Dear Tom:

Zone 7 has received and reviewed your Preliminary Delivery Schedule for 2011-2015 and hereby approves your request for **9,160** acre-feet of treated water in calendar year 2011. Per our Contract for Municipal and Industrial Water Supply dated November 16, 1994, Zone 7 is approving your requested delivery schedule for calendar year 2011 only.

Enclosed you will find three tables containing turnout deliveries in 2009 and 2010 as well as projected deliveries in 2011. Please review these tables and let us know if you have any comments regarding the projected pattern of delivery. Next spring, we will meet to provide a summary of our 2010 operation and discuss our planned operation in 2011.

Thank you for your attention to this matter. If you have any questions prior to our meeting, please contact me at (925) 454-5068 or ssegura@zone7water.com.

Sincerely,

Sal Segura
Associate Civil Engineer
