

# Public participation hearing: Los Altos, Palos Verdes, Visalia, Willows

Kevin McCusker, California Water Service

Reliability Runs Deep

April 20, 2022

Quality. Service. Value.®

# Los Altos Infrastructure Improvement Highlights

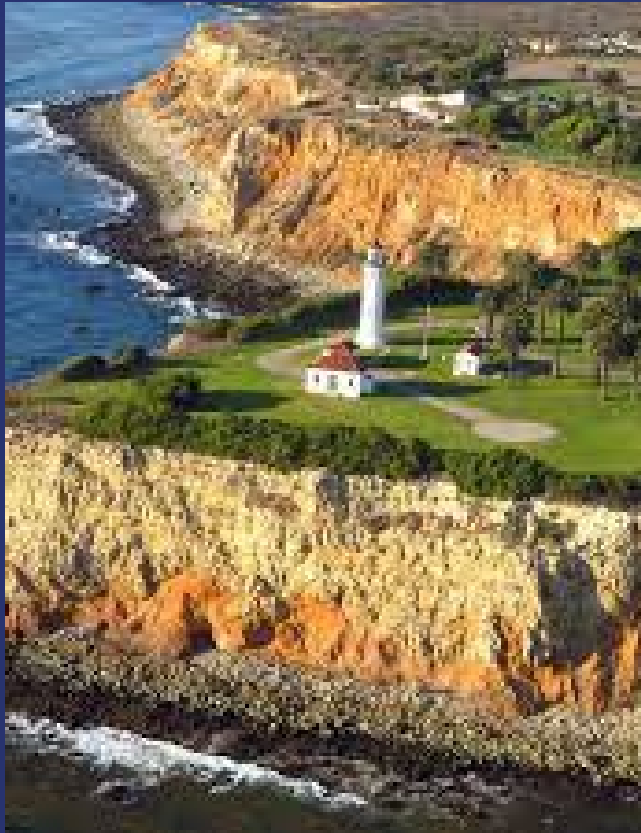

- \$19.6M for replacing 6.1 miles of main
- \$9.4M for increasing reliability throughout the system (e.g., pumps, meters, valves, and pressure vessel replacements).
- \$15.6M for developing new water supplies, improving treatment of existing supplies

# Los Altos Bill Effect

- The proposed Infrastructure Improvement Plan would affect customer bills.
- As submitted, customers would see a 6¢ per day increase in 2023, about \$1.89 per month based on typical customer.

# Palos Verdes Infrastructure Improvement Highlights

- \$17.7M for replacing 5.1 miles of main.
- \$5.5M for hardening water systems against wildfire.
- \$7.0M for increasing reliability throughout the system (e.g., pumps, meters, valves, and pressure vessel replacements).
- \$3.9M for developing new water supplies, improving treatment of existing supplies.

# Palos Verdes Bill Effect

- The proposed Infrastructure Improvement Plan would affect customer bills.
- As submitted, customers would see a 9¢ per day increase in 2023, about \$2.64 per month based on typical customer.

# Visalia Infrastructure Improvement Highlights

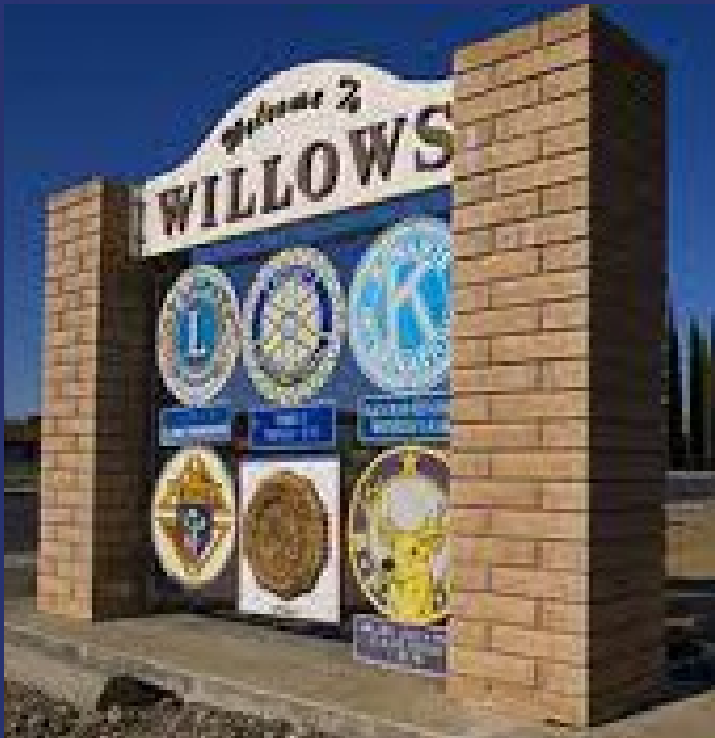

- \$17.6M for developing new water supplies, improving treatment of existing supplies, and storage.
- \$13.3M for replacing 7.1 miles of main.
- \$5M for increasing reliability throughout the system (e.g., pumps, meters, valves, and pressure vessel replacements).

# Visalia Bill Effect

- The proposed Infrastructure Improvement Plan would affect customer bills.
- As submitted, customers would see a 1¢ per day increase in 2023, about 30¢ per month increase based on typical customer.

# Willows Infrastructure Improvement Highlights

- \$1.2M for replacing 0.5 mile of main.
- \$650K for developing new water supplies, improving treatment of existing supplies
- \$450K for increasing reliability throughout the system (e.g., pumps, meters, valves, and pressure vessel replacements)

# Willows Bill Effect

- The proposed Infrastructure Improvement Plan would affect customer bills.
- As submitted, customers would see 5¢ per day increase in 2023, about \$1.36 per month increase based on typical customer.
