TO SERVE TRAVIS AIR FORCE BASE**

On May 15, 2017, California Water Service Company (“Cal Water”) filed an Application with the California Public Utilities Commission (“CPUC”) seeking a Certificate of Public Convenience and Necessity (“CPCN”) to provide public utility potable water service to Travis Air Force Base (“Travis AFB”) and to establish rates for this service.

Cal Water has entered into a 50-year agreement with the United States Department of Defense to acquire the water distribution assets of Travis AFB and provide water utility service. In its Application, Cal Water requests authority to provide water service to Travis AFB in a new regulated service area (the “Travis District”) subject to the jurisdiction of the Commission, pursuant to the terms of the contract with the Department of Defense.

This Notice is to inform you that that you may obtain the application and associated public attachments at <https://www.calwater.com/rates/> or by contacting James Polanco at [RatesHelp@calwater.com](mailto:RatesHelp@calwater.com) or 408-367-8239.
