3. **Water Expense Increase:** Beginning on January 1, 2026, rates in this area will reflect a 0.62% revenue increase due to increased charges for purchased power from Pacific Gas & Electric. This caused quantity rates to go up by \$0.1929/CCF. Amounts collected from these quantity rate increases will be tracked in a balancing account, as required by Section 792.5 of the Public Utilities Code. The monthly service charge for a 5/8 x 3/4-inch meter decreased by \$0.39.
