SPECIAL CONDITIONS (continued)

2. Qualifying non-profit group living facilities, agricultural employee housing facilities, and migrant farm work housing centers are eligible for credits as shown on **Schedule CAP**.

3. **Water Expense Increase:** Beginning on October 1, 2026, rates in this area will reflect a 2.72% revenue increase due to higher wholesale water charges and increased pump tax charges by the Santa Clara Valley Water District. This caused the quantity rate to go up by \$0.2702/CCF. Amounts collected from the quantity rate increase will be tracked in a balancing account, as required by Section 792.5 of the Public Utilities Code. The monthly service charge for a 5/8 x 3/4-inch meter changed by \$1.46.
