SPECIAL CONDITIONS (continued)

1. Dominguez Service Area:

Portions of Carson, Los Angeles, Long Beach, Torrance, and vicinity, Los Angeles County.

Hermosa-Redondo Service Area:

Hermosa Beach, Redondo Beach, Torrance, and vicinity, Los Angeles County.

2. All bills are subject to the following tariff schedules: **Schedule UF** (CPUC reimbursement fee) and applicable surcharges and surcredits on **Schedule RSF** (Rate Support Fund), **Schedule CAP** (Customer Assistance Program), and **Schedule AS** (Additional Surcharges and Surcredits).

3. Qualifying non-profit group living facilities, agricultural employee housing facilities, and migrant farm work housing centers are eligible for credits as shown on **Schedule CAP**.

4. **Water Expense Decrease:** Beginning on October 1, 2026, rates in this area will reflect a 1.08% revenue decrease due to changes in the wholesale water charges by the West Basin Municipal Water District and ground water replenishment charges for pump taxes from Water Replenishment District of Southern California. This caused the quantity rate to go down by \$0.0597/CCF. Amounts collected from the quantity rate decrease will be tracked in a balancing account, as required by Section 792.5 of the Public Utilities Code. The monthly service charge for a 5/8 x 3/4-inch meter decreased by \$0.42.
