Bear Gulch Tariff Area
NONRESIDENTIAL METERED SERVICE

SPECIAL CONDITIONS (continued)

3. **Water Expense Increase**: Beginning on August 1, 2022 rates in this area will reflect a 5.5% revenue increase (as compared to the revenue approved in Advice Letter 2437) due to higher surcharges imposed by the Bay Area Water Supply and Conservation Agency and collected by San Francisco Public Utilities Commission. This caused quantity rates to go up by $0.4928 /CCF. Amounts collected from these quantity rate increases will be tracked in a balancing account, as required by Section 792.5 of the Public Utilities Code, and will be trued up at a later time. Monthly service charges also went up, with the charge for a 5/8 x ¾-inch meter increasing by $1.66. (C)
